KS4 – Learning Journey

Subject	Maths		Course Leader	Mrs Stileman		
Exam Board	Edexcel		Specification	Edexcel		
	Autumn One	Autumn Two	Spring One	Spring Two	Summer One	Summer Two
Year 10/11 Foundation / Crossover (new THPT curriculum from 2026)	Percentages, fractions and decimals Rounding & accuracy Ratio and proportion Compound Measures	Types of number Probability Expressions and formulae Sequences	Expanding and factorising 2D and 3D shapes Equations and inequalities	Straight line graphs, Transformations, similarity and vectors Angles	Trigonometry and Pythagoras Quadratics Averages and spread Displaying and interpreting Data	Revision and assessment Symmetry, constructions and loci
Year 10/11 Higher (new THPT curriculum from 2026)	Percentages, Fractions and Decimals Rounding & Accuracy Ratio and Proportion Compound Measures	Types of number Probability Expressions and sequences Expanding, factorising and algebraic fractions	2D and 3D shapes Equations, inequalities and functions Straight line graphs, Transformations, similarity and vectors	Angles Trigonometry and Pythagoras Quadratics	Cubics and other graphs Averages and spread Displaying and Interpreting Data	Revision and assessment Symmetry, constructions and loci
Year 11	H16 F17 Circles H17 F18 Surds, indices, fractions, proof and functions	H18 F19 Vectors	H19 F17 Graphs and proportion	Consolidation and exam skills. (Mock exams)	Consolidation and exam skills.
